SUMMARY

Synopsis of Bill

Senate Bill 442 adds the Secretary of Public Safety to the sex offender management board.

Significant Issues

According to the New Mexico Sentencing Commission, the sex offender management board voted to add the secretary of public safety to the board. The New Mexico Sentencing Commission approved that recommendation.

The board, which is charged to study, review and make recommendations regarding the management of the state's sex offenders, consists of 13 members who receive mileage reimbursement and per diem but no other compensation. The board is also charged with reviewing the

provisions of the Sex Offender Notification and Registration Act and recommending changes, if needed.

The New Mexico Sentencing Commission and the Public Defender Department agree that the secretary of public safety would offer an important viewpoint to the sex offender management board since the Department of Public Safety plays a key role in the maintenance of the New Mexico sex offender registry.
